

AP distribution box concealed installation

Overview

The recessed box installs into an opening in the wall in minutes. The AP, surface mount box, patch cord, and associated cabling can be organized inside the recess box, and the low-profile cover snaps into place. Choose the right box based on environment (indoor/outdoor), load capacity, and durability. Ensure safe placement: install in. Oberon™ In-Plane™ Recessed Mounts 1018 provides a convenient way to conceal Wi-Fi and Small Cell Wireless Access Points (APs) into a dry-wall wall for an aesthetic, professional installation. Switchgear and control systems are neuralgic points in telecoms, industry and energy supply. Providing a proper home for them is a question of trust. In the. Explore Premium Access Point Mounts & Brackets for Wireless Networks Discover our range of high-quality access point mounting solutions, crafted to enhance both functionality and aesthetic appeal in indoor environments.
