

Advantageous laser diode manufacturer with in-stock products

Overview

Browse a wide selection of in-stock single-mode and high-power multi-mode laser diodes from leading manufacturers such as OSRAM, USHIO, II-VI, and Mitsubishi. Filter by wavelength, output power, and package type to find the right laser diode for your application. Develops, manufactures, and provides fiber-coupled diode lasers, solid-state lasers, high-power fiber patch cable and fiber-optic combiner. The products are applied in research, industry, medical and defense. High-power laser diode manufacturer specializing in laser assemblies in any combination of. ProPhotonix offers laser diodes with a wide range of wavelengths and power outputs with many laser diodes in stock. We offer laser diodes from top tier manufacturer in a great range of colors including red laser diodes, green laser diodes, blue laser diodes, violet laser diodes, and infrared laser. Unlock the full potential of your B2B sourcing strategy with this in-depth guide to finding and evaluating laser diode manufacturers. From identifying global production hubs to implementing rigorous quality control, this resource provides the critical insights and tools needed for informed. Whether it is diodes for extremely high reliability applications such as LiDAR pumping or high-power pump modules for industrial and security applications, or customized laser diodes for scientific applications, TRUMPF Photonics is your OEM design and manufacturing partner of choice. Offer types: Filter by continent: Show only selected suppliers (click on "Evaluate this supplier" to.

47 Laser Diode Manufacturers in 2026

This section provides an overview for laser diodes as well as their applications and principles. Also, please take a look at the list of 47 laser diode manufacturers

Mar 11, 2026

Laser Diode Manufacturers & Suppliers | ProPhotonix

Semiconductor Laser Diodes available from ProPhotonix High-Quality Laser Diodes including Ushio, Osram, QSI and Ondax With this broad product range, we offer

Aug 25, 2025

Laser Diode Market Leaders: Top 10 Companies to Watch

Discover the top 10 companies in the laser diode market driving innovation, growth, and advanced technology across telecom, healthcare, and

Feb 13, 2026

All the Top Laser Diode Brands & Wavelengths (SHOP

All products come with an extra 3 months of warranty on top of the manufacturer's warranty. All new products come with a minimum 365 day full parts and labor

May 27, 2026

Laser Diode Manufacturers

A Laser Diode is a type of semiconductor device that produces coherent light through the process of stimulated emission. The leading manufacturers of Laser Diodes are listed below. Narrow down on

Mar 29, 2026

Diode Lasers Manufacturers Suppliers | IQS Directory

View company profiles, website links, locations, phone number, product videos, customer reviews, product specific news articles and other production information. We are a leading manufacturer

Jul 04, 2026

The latest products for diode lasers in 2024 | Electro Optics

ProPhotonix offers laser diodes for diode lasers with a wide range of wavelengths and power outputs with many laser diodes in stock. Laser diodes are available from a range of manufacturers, including

Jun 23, 2026

Laser diode wavelength // Manufacturer by Country

Laser Diode Source Any user of this site is welcome to upload data sheets for products they use and recommend.
