

Asian Distribution Box Manufacturers and Suppliers

Article Overview

Asia, especially China, India, and Korea, hosts a wide range of distribution box manufacturers offering customizable, certified, and industrial-grade solutions.

Key Manufacturers and Regions

China dominates the distribution box manufacturing sector, with major industrial hubs in Guangdong, Zhejiang, and Suzhou. Companies like DOHO Electric and Dreamfly Electrics provide both standard and customized distribution boxes, serving industries such as solar energy, wind energy, data centers, communications, and new energy vehicles . Chinese manufacturers often integrate vertically with cable suppliers, enabling faster production and high-quality assembly, including precision welding and stress testing for extreme conditions . India and Korea also have verified manufacturers offering competitive pricing and factory-direct sourcing. Platforms like Global Sources list multiple suppliers from these countries, providing options for both industrial and residential applications .

Product Features and Customization

Asian manufacturers typically offer:

- Material options: Metal, ABS plastic, stainless steel
- Protection ratings: IP65, IP66 for dustproof and waterproof applications
- Customization: Size, color, design, logo, and socket configurations...
