

Australian Plastic Fiber Optic Channel Factory

Article Overview

Australia has several suppliers and manufacturers providing plastic fiber optic channels and related optical fiber solutions, including Fibersales, AFW Technologies, Optical Fibre Systems, and AFL Australia.

Key Suppliers and Manufacturers

Fibersales offers a wide range of fiber optic cables, pre-terminated solutions, and networking products suitable for indoor and outdoor applications. Their offerings include multimode and singlemode LSZH cables with water-blocking yarn, designed for fast deployment and reliable connectivity . They provide expert support and fast shipping across Australia. AFW Technologies specializes in plastic optical fiber (POF) for digital multimedia and lighting applications. They provide fiber types suitable for various industrial and commercial uses, including short-distance data transmission and illumination systems . Optical Fibre Systems Pty Ltd has been operating since 1990, providing high-quality optical fiber cables, consumables, splicing and testing equipment, and on-site termination and jointing services. They cater to both commercial and industrial fiber optic projects, ensuring professional installation and testing . AFL Australia offers a comprehensive range of fiber optic cables, connectivity solutions, and network accessories. Their products are designed to enhance network performance and reliability, including solutions for structured cabling and fiber management .
