

Cable tray manufacturer in Iran

Article Overview

Top cable tray manufacturers in Iran include Parsian, Kerman Niroo, Tehran Cable Tray, Sepco, and Kaveh, offering a wide range of galvanized and stainless steel products with customization options.

Leading Manufacturers

1. Parsian Parsian is a well-established manufacturer with over 15 years of experience, producing galvanized and stainless steel cable trays in various sizes and colors. They offer 2-meter and 3-meter lengths and provide a complete range of accessories, ensuring compliance with international standards and reliable performance in industrial and commercial projects . 2. Kerman Niroo Operating since 2012, Kerman Niroo specializes in industrial galvanized cable trays with both cold and hot-dip galvanization. Their products are widely used in large-scale industrial, commercial, and construction projects, and they offer customization in thickness, width, and length to meet project-specific requirements . 3. Tehran Cable Tray Tehran Cable Tray produces a variety of cable trays and accessories, including stainless steel and coated options. They focus on quality, durability, and ease of installation, making them a trusted choice for engineers and contractors in Iran . 4. Sepco and Kaveh These manufacturers provide a broad selection of cable trays, including anti-corrosion and coated types, suitable for both indoor and outdoor applications. They are recognized for their adherence to international standards and reliable post-sales support .
