

Chenggong cable tray prices

Article Overview

Cable tray prices in Chenggong typically range from 50 to 500 CNY per meter, depending on material, type, and customization.

Price Range and Factors

The cost of a cable tray in Chenggong varies widely based on several factors:

- **Material:** Common materials include galvanized steel, stainless steel (SUS201/304/316), aluminum, PVC, and GRP. Stainless steel and corrosion-resistant coatings generally cost more than standard steel or PVC trays .
- **Type:** Options include perforated trays, ladder trays, wire mesh trays, trunking, and enclosed trays. Ladder and heavy-duty trays for industrial use are more expensive than lightweight or mesh trays .
- **Size and Load Capacity:** Wider trays or those designed to carry heavier cables cost more. Standard widths range from 100 mm to 600 mm, and load ratings vary from light-duty to heavy-duty industrial specifications .
- **Customization:** OEM or custom designs, including powder coating, special lengths, or integrated fittings, increase the price .
- **Quantity:** Bulk purchases often reduce the per-meter cost. Wholesale suppliers in China may offer discounts for large orders .

Typical Cost Estimates

- **Lightweight or standard mesh trays:** 50-150 CNY per meter
- **Medium-duty perforated or ladder trays:** 150-300 CNY per meter...
