

Cold storage electrical distribution box for sale price

Article Overview

Cold storage electrical distribution boxes typically start around \$70-\$75 per unit, with prices varying based on specifications, capacity, and bulk purchase options.

Typical Pricing

- Alibaba lists cold room electric boxes for temperature control at an average price of \$72.9 per unit, with bulk purchases starting from a single unit, suitable for industrial machinery applications .
- eBay offers a wide range of power distribution boxes with affordable prices and free shipping on many items, though exact costs depend on brand, amperage, and configuration .
- Global Sources provides factory-direct pricing for over 50 power distribution boxes, emphasizing high-quality units with fast shipping, which can be cost-effective for bulk orders .
- Amazon features premium construction boxes for demanding environments, often with circuit breaker protection and multiple outlet configurations, which may increase the price compared to basic models .

Factors Affecting Cost

- Specifications: Voltage rating, amperage capacity, number of circuits, and material construction significantly influence price .
- Application: Cold storage or industrial use may require weather-resistant or temperature-controlled enclosures, which are typically more expensive than standa...
