

Comoros Access Switch Company

Article Overview

PayLogic is the company responsible for implementing the interoperable digital payment switch in Comoros, modernizing the nation's financial infrastructure.

Overview of the Company and Project

PayLogic, a Moroccan electronic payment solutions provider, was selected to deliver the National Payment Switch for the Union of Comoros under the Financial Sector Development Support Project (PADSF) . The platform connects commercial banks, microfinance institutions, and mobile money operators, enabling real-time, secure, and interoperable digital transactions across the country . This initiative aligns with Comoros' strategy to reduce reliance on cash, expand financial inclusion, and modernize its financial sector .

Key Features and Benefits

- **Interoperability:** Seamless transfers between banks and mobile wallets across providers, fostering a unified financial ecosystem .
- **Convenience:** Expands access to financial services, particularly in rural areas, and supports the Comorian diaspora .
- **Efficiency:** Accelerates payment settlements for businesses and merchants, improving overall transaction speed .
- **Innovation:** Provides a shared infrastructure for financial institutions to launch new products and services .
