

Contact information for Japanese outdoor server racks

Article Overview

For Japanese outdoor or industrial server racks, key manufacturers include NITTO KOGYO Corporation and YAMATO DENKI, both offering specialized racks and contact options.

NITTO KOGYO Corporation

NITTO KOGYO manufactures a wide range of server racks, including robust FD series and aluminum racks suitable for high-density mounting and industrial applications. Their products comply with IEA and JIS standards, and they offer optional accessories for customization and easier installation .

- Website & Contact: NITTO KOGYO Products
- Inquiry: Contact forms are available on their website for product inquiries and technical support.

YAMATO DENKI

YAMATO DENKI specializes in Rack PDUs and server racks widely adopted in Japanese data centers. They emphasize domestic production, earthquake-resistant designs, and high-quality standards. They request inquiries via email and promise prompt responses .
