

Contact information for industrial control switches

Article Overview

You can contact leading industrial switch manufacturers such as Switch GmbH, Belden, Phoenix Contact, and Maisvch for inquiries, orders, or technical support.

Switch GmbH

Switch GmbH offers a wide range of industrial components including cam switches, limit switches, microswitches, and foot switches suitable for automation, machine control, and safety applications. You can order directly or request advice via email: order@switch-gmbh.de. Their products are CE-certified, IP65-rated, and customizable for industrial applications, making them suitable for control cabinets and rugged environments .

Belden

Belden provides industrial networking solutions including Hirschmann, GarrettCom, and Tofino switches. For technical support, RMA requests, or product inquiries, you can use their secure online contact form or email infosec@belden.com for security-related issues. Belden also offers product registration for warranty and technical bulletins .
