

Customized Cable Tray Mesh Quotation

Article Overview

You can request a wire mesh cable tray quotation by providing specifications such as dimensions, material, finish, and quantity to suppliers like MP Husky, Patil More Exports, or through B2B marketplaces.

How to Request a Quotation

- **Provide Detailed Specifications** Include the width, height, and length of the trays, the material (stainless steel SS202, SS304, SS316, or galvanized steel), and any custom shapes or bends required for your installation .
- **Quantity and Project Scope** Specify the number of trays and whether the order is for a single project or bulk export, as this affects pricing and lead time .
- **Certifications and Standards** Ensure the trays meet IEC 61537 standards or other relevant certifications, especially for industrial or export projects .
- **Accessories and Installation Needs** Include any supports, connectors, or bends needed for assembly, as suppliers often provide these as part of the quotation .

Recommended Suppliers

- **MP Husky:** Offers a dedicated quote request form for wire mesh cable trays and will provide a detailed estimate after submission .
- **Patil More Exports:** Specializes in customizable trays with flexible sizes, durable finishes, and full certification. They handle bulk orders and can match your drawings for precise requirements .
- **Europages:** A B2B marketplace listing 32 suppliers for custom-made galvanized mesh cable trays, allowing direct contact for quotations .
- **Alibaba / Ningbo Lepin Network:** Provides price lists for CE-certified trays, free sa...
