

Electrical Distribution Box Manufacturer in Singapore

Article Overview

Actenn, Sunlink Engineering, Asiatic Group, and BSE Electrical Supplies are leading manufacturers of electrical distribution boxes in Singapore.

Key Manufacturers

Actenn specializes in custom-built electrical box assemblies for industrial, commercial, and residential applications. Their products integrate circuit breakers, wiring, and power controls into durable enclosures made from stainless steel, aluminum, or corrosion-resistant plastics. Actenn emphasizes safety, reliability, and compliance with international standards, offering turnkey solutions tailored to client specifications across diverse industries such as manufacturing, automation, and energy . Sunlink Engineering designs and fabricates high-quality metal DB boxes suitable for industrial, commercial, marine, and infrastructure projects. Their enclosures are precision-engineered using CNC laser cutting, bending, and controlled welding, ensuring robust structural integrity. Sunlink provides full customization for dimensions, materials, opening layouts, and surface finishes, making their DB boxes adaptable to demanding site environments . Asiatic Group distributes and manufactures enclosures and distribution boxes, including thermoplastic polystyrene and polycarbonate options with IP65 to IP67 protection. Their products are UV-resistant, halogen- and silicon-free, flame retardant, and double insulated to protection class II. Asiatic's ENYCASE cable junction boxes are designed for safe, fast, and standard-compliant installation, suitable for harsh environmental conditions . BSE Electrical Supplies also offers metal distribution boxes in Singapore, providing dura...
