

European Fireproof Cable Tray Company

Article Overview

Leading EU manufacturers of fire-resistant cable trays include Meka Pro, DKC Europe, Niedax Group, Spina Group, Ebo Systems, Eurotray, OBO Bettermann, Eurostrut, and Trayco.

Key Manufacturers and Offerings

Meka Pro specializes in fire-resistant cable support systems tested according to EN 1363-1 standards. Their products ensure electricity supply continuity during fires, resist collapse, and minimize toxic fumes, making them suitable for critical installations across Europe. DKC Europe provides a comprehensive range of cable tray systems for civil and industrial infrastructures, including fire-resistant solutions, with a focus on durability and compliance with European standards. Niedax Group (Germany) offers over 50,000 cable management products, including fireproof trays, ladders, and support systems, designed for industrial, commercial, and infrastructure projects. Spina Group (Italy) specializes in ladder and perforated cable trays, providing durable, compliant solutions for heavy-duty applications in shipbuilding, industrial plants, and infrastructure projects. Ebo Systems focuses on GRP (Glass-fiber Reinforced Polyester) cable trays, ideal for extreme environments requiring high corrosion resistance, thermal stability, and mechanical strength, compliant with EN and IEC standards. Eurotray (Çemesan Group) offers durable and adaptable cable trays, ladders, and wire mesh trays suitable for large-scale installations, meeting European and international safety standards. OBO Bettermann (Portugal) provides corrosion-resistant cable trays and innovative fastening technologies, ensuring robust performance in industrial and commercial applications. Eurostrut manufactures hot-dip galvanized and stainless steel cable trays, including open, perforated, and NAT...
