

Factory Price of Fiberglass Cable Trays in Central Asia

Article Overview

Fiberglass cable trays in Central Asia typically range from \$20 to \$150 per meter depending on size, type, and supplier, with prices influenced by material quality, customization, and shipping.

Market Overview

The Central Asian cable tray market, covering Kazakhstan, Uzbekistan, Turkmenistan, Kyrgyzstan, and Tajikistan, is growing due to infrastructure modernization, energy projects, and industrial expansion. Demand for fiberglass-reinforced plastic (FRP) trays is increasing, particularly for corrosive or hazardous environments where non-metallic trays outperform steel or aluminum options in durability and safety. Imported trays from global suppliers often carry higher prices due to certification and technological advantages, while local manufacturers may offer more competitive rates.

Price Ranges

- Standard FRP trays: \$20–\$50 per meter for basic ladder or perforated designs suitable for indoor use.
- Heavy-duty or outdoor trays: \$60–\$150 per meter for UV-resistant, fire-retardant, or high-load configurations.
- Customized or OEM trays: Prices vary based on dimensions, load capacity, and accessories such as covers, couplers, and hangers ...
