

Fiji Fiberglass Cable Tray Procurement Information

Article Overview

Fiberglass cable trays in Fiji are primarily procured through public tenders, with Energy Fiji Limited and government e-procurement portals serving as the main channels.

Key Procurement Channels

Energy Fiji Limited (EFL) is a major utility that issues tenders for cable trays and related accessories. For example, Tender MR 63/2024 invited suppliers to provide cable trays and cable termination accessories, with submissions managed electronically via EFL's portal rather than in-person at their Suva office (EFL contact: 3224360/9992400/9987085, email: tenders@efl.com.fj) . Suppliers must ensure bids include all applicable taxes and that pricing is typed, not handwritten. EFL uses the Tenderlink e-procurement portal, where suppliers can register for free to receive notifications of new opportunities, access tender documents, and submit bids online . Registration is recommended for both current and potential suppliers to stay updated on relevant tenders.

Government Procurement Platforms

The Fiji Procurement Office provides oversight and information on public procurement processes, including tender notices and regulations . Additionally, platforms like TendersOnTime and TendersInfo aggregate Fiji government and public sector tenders, including goods and supply contracts, e-procurement notices, and internati...
