

Finnish Modular Cable Tray Manufacturer

Article Overview

Meka Pro Oy is a leading Finnish manufacturer of modular cable trays and cable management systems.

Meka Pro Oy, headquartered in Oulu, Finland, specializes in high-quality cable support systems, including steel cable ladders, modular cable trays, wire mesh trays, and lighting tracks. Their products are designed for durability, ease of installation, and long life cycles, making them suitable for a wide range of construction and industrial projects. The MEKA® product portfolio is well-represented across Northern and Central Europe, including Scandinavia and the Baltic countries.

Product Features

- **Modular Design:** MEKA® cable trays are designed for flexible configurations, allowing easy adaptation to different project layouts.
- **Material Options:** Products are available in steel, aluminum, and wire mesh variants to suit various load and environmental requirements.
- **Accessories and Fittings:** A wide range of brackets, connectors, and fittings ensures stable and compact installation in diverse scenarios.
- **Quality and Durability:** Emphasis on strength, long life cycle, and smooth installation processes makes MEKA® products reliable for both new constructions and retrofits.

Additional Information

Meka Pro Oy also offers solar mounting systems, cable trunkings, and unipro® light...
