

German imported electrical distribution box brand

Article Overview

Top German brands for electrical distribution boxes include Rittal, Hensel, Spelsberg, Mack Automation, and JEAN MÜLLER, all known for high-quality, standards-compliant enclosures.

Leading German Manufacturers

1. Rittal GmbH & Co. KG Rittal is Germany's leading manufacturer of industrial control panel enclosures and cabinet systems. Established in 1961 and headquartered in Herborn, Hesse, Rittal produces a wide range of electrical distribution boxes, including modular and climate-controlled enclosures for automation, energy, and IT sectors. Their products comply with international standards and are widely exported globally . 2. Hensel GmbH & Co. KG Founded in 1931, Hensel specializes in low-voltage distribution systems, cable junction boxes, and other electrical enclosures. Known for reliability and global export, Hensel products are suitable for industrial and commercial installations . 3. Spelsberg (Günther Spelsberg GmbH + Co. KG) Spelsberg has over 120 years of experience in electrical enclosures. They focus on efficiency, protection, and compliance with international standards like IEC 62208. Their portfolio includes indoor and outdoor distribution boxes, junction boxes, and modular enclosures . 4. Mack Automation GmbH A family-owned company since 1974, Mack Automation manufactures electrical cabinets combining electrical and mechanical engineering expertise. Their products include customized distribution boxes and industrial enclosures for automation and energy applications . 5. JEAN MÜLLER JEAN MÜLLER offers a wide range of enclosures and distribution boards, inc...
