

How much does a Huijue distribution box casing cost

Article Overview

The cost of a Huijue distribution box casing typically varies depending on model, material, and order quantity, generally ranging from \$20 to \$150 per unit for standard small to medium enclosures.

Price Factors

The price of a Huijue distribution box casing depends on several factors:

- **Model and Size:** Smaller wall-mounted fiber distribution boxes (like the HJ-GF-KSW-12E, 12-core plastic model) are usually at the lower end of the price range, while larger industrial or outdoor enclosures cost more .
- **Material:** Plastic casings are generally cheaper than metal or aluminum alloy enclosures, which offer higher durability and weather resistance .
- **Order Quantity:** Bulk orders often reduce the per-unit cost, while single-unit purchases may be more expensive .
- **Customization:** Custom specifications, such as IP ratings, modular designs, or integrated features, can increase the price .

Typical Price Range

- Small residential or telecom fiber distribution boxes: \$20–\$50 per unit
- Medium industrial or commercial enclosures: \$50–\$100 per unit
- Large outdoor or modular energy storage cabinets: \$100–\$150+ per unit, dependi...
