

How much does a ladder-type cable tray cost in Palau

Article Overview

Ladder-type cable trays typically range from \$40 to \$120 per 2.4-meter section, depending on material and duty rating, with exact Palau pricing requiring supplier inquiry.

Price Overview

Ladder-type cable trays are commonly sold in standard lengths of 2.4 meters. For hot-dip galvanized ladder trays, prices generally start around \$40–\$50 per section for light-duty trays and can go up to \$100–\$120 for heavy-duty commercial trays. Prices for fittings, such as bends, tees, and reducers, are usually quoted per piece and vary by size and material.

Material and Duty Considerations

- Light-duty trays: Suitable for small cable loads, lower cost, easier to handle.
- Heavy-duty trays: Designed for industrial or high-capacity installations, more expensive due to thicker metal and higher load rating.
- Galvanized steel: Common for corrosion resistance, especially in humid or coastal environments like Palau.

Sourcing Options

Since Palau is a small island nation, importing from regional suppliers may be neces...
