

# How to install the gateway outdoor cabinet

## Overview

Our Outdoor Kitchen Cabinets are shipped fully assembled and are very easy to install. Once you remove the packaging, all you need to do is attach the feet, place it where you want it, level and bolt the cabinets together, and screw the tops on. Whether it is telecom equipment or any highly crucial infrastructure setup, pole mounting pays back in fantastic, sustainable performance for. Please refer to the Support Hub for your Outdoor Kitchen cabinets for step-by-step installation instructions. NewAge Products also offers Installation Services. A basic knowledge of common hand tools is required, but extensive knowledge of carpentry is not necessary. A walkthrough on how to measure the space for placement of electrical & plumbing outlets for your outdoor. Whether opting for a DIY work or hiring a handyman, you can expect your first project to be successful with a minimal learning curve. First of all, familiarize yourself with your cabinet's layout.
