

Huijue Router Fiber Optic Networking

Article Overview

Huijue provides comprehensive fiber optic networking solutions, including routers, optical distribution cabinets, splitters, and integrated network systems for FTTH, 5G, and data center applications.

Company Overview

Huijue Network Communication Equipment Co., Ltd., founded in 2002, is a high-tech enterprise specializing in fiber optic and network communication equipment. It serves major operators such as China Mobile, China Unicom, China Telecom, China Tower, and national radio and television systems, and exports products to Europe, North America, and Southeast Asia . The company integrates R&D, production, and sales, with multiple invention patents and ISO-certified quality management systems .

Fiber Optic Products

Huijue offers a full range of optical distribution network (ODN) products, including:

- Optical splitters and adapters for signal distribution
 - Patch cords and MPO connectors for flexible fiber connections
 - Optical cable distribution cabinets and splice closures for outdoor and indoor deployment
 - Network cabinets and ODFs for centralized fiber management
- These products support FTTH (Fiber to the Home), 5G fronthaul, and data center networking, ensuring seamless integration from core components to system-level solutions
