

Ireland Outdoor Communication Optical Cable

Article Overview

High-quality outdoor fiber optic cables in Ireland are available from suppliers like Satcity.ie and Wood Communications, offering single-mode, multi-mode, and durable outdoor-rated options for professional networking and telecom installations.

Key Suppliers and Products

Satcity.ie supplies a wide range of fiber optic cables suitable for outdoor use, including single-mode and multi-mode cables, backbone and patch cables, and both indoor and outdoor-rated options. These cables are designed for high-speed, long-distance communication, making them ideal for offices, data centers, telecom infrastructure, and broadband services. Satcity.ie also provides fiber termination kits, enclosures, and patch panels to support professional installation and maintenance, with fast nationwide delivery across Ireland. Wood Communications is another leading Irish distributor offering networking and telecom solutions, including outdoor telecommunication cables. They focus on providing products that meet customer specifications with reliable delivery and professional support. For copper-based outdoor networking, suppliers like Electrical Wholesaler and Cable Monkey offer Cat5, Cat6, and Cat6a UTP cables with UV-resistant PE or LDPE jackets, suitable for external runs, direct burial, and outdoor LAN installations. These cables provide 1 Gbps to 10 Gbps speeds, HDBaseT certification, and protection against environmental conditions.
