

Italian-made cable tray manufacturer

Article Overview

Leading Italian cable tray manufacturers include Spina Group, Jeetmull Jaichandlall, SATI Italia, and SITIE Impianti Industriali, offering high-quality, certified cable management solutions for industrial, energy, and infrastructure sectors.

Key Manufacturers

Spina Group / Schiavetti Tekno Schiavetti Tekno, part of Spina Group, is a prominent Italian manufacturer of cable trays and accessories, operating since 1964. They produce stainless steel, galvanised, and wire cable trays in various types, including ladder, perforated, closed, and wire-mesh designs. Their products are designed for strength, corrosion resistance, and long-term performance, with custom sizes available and compatibility with Unistrut systems. All products comply with European (EN) and international (UL) standards, and the company provides technical design, testing, and after-sales support . Jeetmull Jaichandlall (P) Ltd. This manufacturer is recognized for high-quality cable trays in Italy, offering a wide range of sizes, shapes, and colors. They focus on durable wire mesh and metal cable trays suitable for heavy loads and industrial applications. Their on-site manufacturing facility uses modern equipment and advanced technology, ensuring adherence to industry standards and global export capabilities . SATI Italia SATI Italia specializes in robust and flexible cable carrier systems for energy, construction, and automation sectors. Their modular systems allow customization for complex projects, and their products comply with international safety and quality standards. SATI's trays are lightweight, durable, and designed for quick assembly and long-term performance . SITIE Impianti Industriali SITIE focuses on industrial cable tray systems, including perforated trays, solid-bottom trays, and custom designs. Their products are engineered for easy mai...
