

Jamaican high-quality electrical distribution box manufacturer

Article Overview

Key suppliers of electrical distribution boxes in Jamaica include Carisol, FosRich, Cesco Limited, and LS Duhaney.

Carisol Group

Carisol offers a wide range of electrical boxes, pipes, and fittings, including PVC and metal Besa boxes suitable for residential and commercial installations. Their products are designed for secure cable connections and terminations, and they provide islandwide delivery and expert advice. Carisol's showroom is located at 38 Cassia Park Rd, Kingston, Jamaica.

FosRich Group of Companies

FosRich supplies boxes, panels, breakers, switches, and other electrical apparatus for both retail and commercial customers. They cater to industrial projects such as hotels, factories, and housing developments, and their energy division includes qualified engineers for technical support. FosRich is known for providing comprehensive electrical solutions and training services.

Cesco Limited

Cesco Limited specializes in high-quality electrical materials, including copper building wire and related electrical components. While primarily known for wiring so...
