

Kenya 6-core smart building optical cable manufacturer

Article Overview

HubTech Limited, Mtech Technologies, and CP Cables Ltd are key suppliers of 6-core fiber optic cables in Kenya, offering high-quality solutions for smart building and telecom applications.

Key Manufacturers and Suppliers

1. HubTech Limited HubTech Limited, based in Nairobi, offers 6-core multimode armored fiber optic cables designed for both internal and external applications. Their cables are lightweight, flexible, and quick to install, featuring tight-buffered fibers with flame-retardant, low smoke zero halogen (LSZH) outer sheaths. HubTech provides installation, configuration, and post-sales support, making them a reliable partner for smart building projects across Kenya and East Africa . 2. Mtech Technologies Mtech Technologies supplies 6-core multi-mode fiber optic cables suitable for indoor and outdoor use. Their cables support high-bandwidth data transmission with low attenuation and are available in HDPE, LSZH, or flame-retardant PVC jackets. They meet industry standards such as IEC 60794 and ANSI/TIA-568, ensuring durability against environmental factors like water ingress, UV radiation, and temperature variations . 3. CP Cables Ltd CP Cables Ltd offers a wide range of fiber optic products, including drop cables and 6-core optical cables for high-speed data transmission. Their products are designed for outdoor and indoor installations, built to withstand harsh weather conditions, and sourced from trusted manufacturers adhering to high-quality standards. CP Cables also provides connectors, adapters, patch panels, and other accessories for complete network sol...
