

Latvian Fireproof Cable Tray Companies

Article Overview

OnElecs is a notable Latvian supplier offering metal and fireproof cable trays with door-to-door delivery.

Key Latvian Brands and Suppliers

OnElecs is a Latvian company providing a wide range of electrical panels, plastic and metal enclosures, and fireproof cable trays suitable for industrial and commercial applications. They offer door-to-door delivery and cater to both standard and customized cable management solutions. Latakva is another platform that lists fire safety solutions and cable trays in Latvia, including products designed for structural fire protection and high-performance cable management. Their offerings include metal and composite trays that comply with fire safety standards, suitable for construction, industrial, and infrastructure projects.

Product Features to Consider

When selecting fireproof cable trays in Latvia, consider the following:

- **Material:** Galvanized steel, stainless steel, or halogen-free rigid PVC for fire resistance.
- **Fire Rating:** Look for trays with certifications for fire resistance, often rated for 30–180 minutes depending on the system.
- **Load Capacity:** Ladder-type or perforated trays are preferred for heavy-duty industrial applications.
- **Installation:** Modular systems with easy assembly and maintenance access are co...
