

List of reputable fireproof cable tray vendors

Article Overview

Top vendors for fire-rated cable trays include Atkore, Legrand, NewReach, JP Shine, and HERMI Solutions, all known for high-quality, fire-resistant cable management systems.

Leading Vendors

Atkore International – A global manufacturer offering a wide range of cable tray systems, including fire-rated options suitable for construction and renovation projects. They provide durable, customizable solutions for industrial and commercial applications, ensuring compliance with safety standards and long-term reliability .

Legrand – Based in the USA, Legrand specializes in heavy-duty cable trays and fire-resistant systems. Their products are widely used in electrical and digital building infrastructures, offering quality assurance and fast worldwide shipping .

NewReach – Focused on fire-rated cable trays, NewReach designs trays that maintain structural integrity during fires, preventing flame spread and supporting critical systems like emergency lighting and fire alarms. They offer materials such as powder-coated aluminum, galvanized steel, and fiberglass with intumescent coatings .

JP Shine Electrical & Controls Pvt Ltd – Known for high-quality, durable cable trays, JP Shine provides perforated, ladder, and wire mesh trays with fire-resistant options. They cater to power plants, IT/data centers, and industrial facilities, emphasizing safety, innovation, and compliance with international standards .

HERMI Solutions – Offers fire-resistant cable trays for constructing safe cable paths with surface cable laying. They provide expert guidance to select the most suitable fireproof solutions for spe...
