

# MPO fiber optic adapter dust cap

## Overview

5mm Diameter Protective Dust Plugs for Adapters, Patch Panels (MPO dust Cap) Wide Compatibility: Designed to fit most common fiber optic connectors including LC, FC/SC/ST, MPO, and SMA types. Perfect for protecting various fiber equipment. 50 Pack Dust Caps - 1. The adapter meets IP67 environmental sealing ratings and is the ideal choice for a low cost and easy to use solution in Industrial, Fiber to Antenna (FTTA), or any other harsh. L-com offers an extensive line of protective dust caps for both fiber optic adapters and couplers. These universal caps protect fiber adapters and couplers from contaminants and damage that can cause serious network slow downs or crashes. To simplify field installations and enhance cable protection, we developed the Opti-Lure™, a simple yet highly. MPO connector transparent dust cap is designed for MPO ferrule with high grade protection visually. it is made from medical grade silicone provide fully seal from dust and moisture.
