

Mauritius Explosion-proof Distribution Box Manufacturing

Article Overview

Explosion-proof distribution boxes in Mauritius are available through certified suppliers offering ATEX and IECEx compliant solutions for hazardous environments.

Local Suppliers and Availability

In Mauritius, high-quality distribution boxes and enclosures suitable for industrial and hazardous applications can be sourced from Electrical.mu, which offers a range of cabinets for residential, commercial, and industrial setups, including surface and flush-mounted enclosures with IP ratings up to IP65 . These enclosures are designed for safety, durability, and compliance with international standards.

International Manufacturers

For specialized explosion-proof distribution boxes, manufacturers like CZ Electric Co., Ltd. provide products with IECEx and ATEX certifications, IP66 protection, and flameproof designs suitable for Zone 1 and Zone 2 hazardous areas . Their products include explosion-proof circuit breaker (MCB) boxes, isolation switches, and control panels, designed for vibration resistance, electromagnetic compatibility, and long-term maintenance-free operation. Extol International also supplies a comprehensive range of explosion-proof control panels and distribution boards made from stainless steel, aluminium, or cast iron, with Ex d / Ex'de flameproof protection for hazardous zones . These boards are available in multiple sizes and IP ratings, suitable for both indoor and outdoor installations....
