

Monaco cable tray processing price inquiry

Article Overview

Monaco Cable Tray Systems typically range from \$0.80 to \$76 per unit depending on material, size, and purchase volume.

Pricing Overview

The cost of cable tray systems varies significantly based on material, duty rating, and supplier type. For industrial and commercial applications, B2B bulk purchases can range from \$0.80 to over \$76 per unit, reflecting differences in stainless steel, galvanized steel, or specialized fireproof trays, as well as tray width and length . For smaller-scale or consumer-level purchases, such as under-desk or home office cable trays, prices are generally \$15 to \$34 per unit, with wholesale options as low as \$0.92 .

Material and Duty Considerations

- **Stainless Steel (304/316):** Offers high corrosion resistance and durability, suitable for heavy-duty or outdoor installations .
- **Electrogalvanized or Hot-Dip Galvanized Steel:** Provides strong corrosion protection for medium to heavy-duty applications .
- **PVC Cable Trays:** Lightweight, fire-resistant, and suitable for indoor or less demanding environments .
- **Wire Mesh or Ladder Trays:** Common for flexible routing and easy maintenance, with prices varying by size and gauge
