

Morocco Fiber Optic Patch Cord Configuration

Overview

Standard AFL duplex patch cords are manufactured as per the A-to-B configuration of ANSI/TIA-568. Since 2007, FO CONNECT has been manufacturing premium fiber optic solutions in Morocco. Backed by advanced production capabilities, we deliver certified quality, controlled lead times and local technical support. The only fibre cable company in Morocco. Custom fibre optic cables for mission-critical environments & specialised applications Engineered to push the boundaries of performance, our special optical fibre cables meet the most demanding technical requirements: military applications, railway infrastructures, extreme industrial environments. Our 1- and 2-fiber patch cords and pigtails are designed according to IEC 61300 performance while backed by Corning's 12-month product warranty. Check out our industry-leading Core patch cords configurator to create part numbers while visually verifying different product attributes. based in Morocco, which gives us competitive advantage compare to the other low cost. AFL manufactures and distributes a broad range of factory-terminated and factory-tested patch cords.
