

Network cabinets around the UK

Article Overview

UK suppliers offer a wide range of network cabinets, including wall-mounted, floor-standing, and server racks, with options for 19-inch mounting, ventilation, and cable management.

Key Suppliers and Options

Network-Cabs provides a full range of AV, data, and networking cabinets, including 19-inch slimline wall-mounted cabinets, patch panels, and blanking plates. They offer UK-manufactured products in various heights and depths, with bespoke cabinet options available for home or office use . Cable Monkey stocks a wide selection of data and server cabinets, from compact wall-mounted enclosures to full server racks. Their RackyRax 19-inch cabinets feature ventilated doors, lockable handles, and adjustable mounting posts, suitable for both active and passive infrastructure . Comms Express is a leading UK supplier offering wall-mounted and floor-standing cabinets from brands like APC, Prism, RackyRax, Startech, and Excel. They provide next-day delivery for most orders and a variety of accessories, including cable management bars, PDUs, and ventilated shelves . Network-Cabling.co.uk offers Excel Environ wall-mounted and floor-standing cabinets ranging from 6U to 47U, suitable for offices, comms rooms, and professional network installations. They provide multiple sizes and depths to accommodate patch panels, switches, and structured cabling . Amazon UK also lists compact network cabinets with thermal management features, ideal for space-constrained environments .
