

New Zealand Fiber Optic Cable Cutting Machine Manufacturer Price Quote

Article Overview

Fiber optic cable cutting machines are available through local suppliers and international manufacturers, with pricing typically provided upon direct inquiry.

Local Suppliers in New Zealand

- OplinX New Zealand Limited specializes in fiber optic cabling products, including fusion splicers and test equipment, and can provide guidance on compatible cutting machines for fiber optic cables. They offer personalized service and can be contacted via info@oplinx.co.nz or phone 0508 OPLINX / 021 675 469 for price quotes and product details .
- LAN Cabling Products Limited (LCP) and Argus CableTech are local manufacturers and distributors of fiber optic cables and assemblies. While they focus on cable production, they may also provide or recommend compatible cutting machines for industrial or field use .

Types of Fiber Optic Cable Cutting Machines

- **Manual Cleavers:** Portable, budget-friendly, suitable for small jobs or fieldwork. They require manual skill to cut fibers accurately .
- **Automatic Cutting Machines:** Machines like the ZKS-540 can handle fiber optic patch cords and pigtails with diameters from 1mm to 4mm. Features include adjustable cable speed, automatic length tracking, pigtail marking, and memory functions for total cable length .
- **Industrial Cutting Machines:** Machines with circular or V-slot blades are designed f...
