

Oman Connector and Fiber Optic Cable Manufacturer

Article Overview

Oman has a robust fiber optic industry with key manufacturers and distributors like Oman Fiber Optic Co, Modern Peace Company, and Oman Cables Industry providing cables, connectors, and turnkey solutions.

Key Manufacturers and Suppliers

Oman Fiber Optic Co is a leading manufacturer of fiber and fiber optic cables in Oman. The company also provides turnkey solutions for FTTx, backbone, and access fiber networks, including survey, design, supply, installation, and maintenance services for large-scale infrastructure projects in Oman and Qatar . Modern Peace Company operates as a full-line distributor of fiber optic products, including connectors, cables, cable assemblies, and test equipment. They also offer custom fiber patch cord manufacturing, training for technicians, and rental of fiber optic test equipment . Oman Cables Industry (SAOG) specializes in high-quality fiber optic cable manufacturing and installation. They provide tailored solutions for telecommunications and networking infrastructure, supporting structured cabling systems for data transmission, telephone services, and backbone networks . OCS Infotech focuses on structured cabling solutions, delivering end-to-end services from horizontal and vertical cabling to data center inter-rack cabling, essential for robust telecom and IT networks . National Cable Factory LLC produces various types of cables, including plans for medium and high voltage applications, emphasizing quality and sustainability . GITACS LLC specializes in fiber optic network installation and integration, including turnkey projects for backbone networks in collaboration...
