

Portuguese AC DC Integrated Power Supply Manufacturer

Article Overview

MEAN WELL, FSP Group, and Sophpower Electronics are key suppliers of AC/DC integrated power supplies accessible in Portugal.

MEAN WELL

MEAN WELL is a leading manufacturer of AC/DC switching power supplies, DC/DC converters, DC/AC inverters, and battery chargers. Their products are widely used in automation, communication, medical, and office applications. In Portugal, MEAN WELL products are available through distributors like Mouser Electronics, which stocks a variety of power supplies including DIN rail, LED, isolated, and non-isolated DC-DC converters (Mouser Portugal) .

FSP Group

FSP Group offers a broad range of AC/DC power supplies for industrial, medical, consumer electronics, and alternative energy applications. Their portfolio includes open frame power supplies, adapters, solid-state lighting power supplies, PV inverters, UPS systems, and battery chargers. FSP emphasizes high efficiency, long product life, and reliability, making them suitable for both commercial and industrial applications .
