

# Price of G 657A1SC APC fiber optic connectors for Myanmar FTTH

## Article Overview

G.657A1 SC/APC fiber optic connectors for FTTH typically range from \$0.50 to \$3 per unit depending on length, type, and supplier, with bulk orders offering lower prices.

### Pricing Overview

- Alibaba Factory Prices: SC/APC G.657A1 pigtails (0.9 mm, 1 m) are available at approximately \$0.50–\$1 per piece for bulk orders, depending on quantity and supplier negotiation .
- eBay Retail Options: FTTH SC/APC G.657A1 pigtails (2 m) are listed at around \$2–\$3 per unit, often including free shipping for international orders .
- Specialized Suppliers: European suppliers like ShopFiber24 offer customizable lengths up to 50 m, with prices increasing for longer cables and additional features such as LSZH sheaths or dual connectors .

### Key Considerations for Myanmar FTTH Deployment

- Connector Type: SC/APC is standard for FTTH due to low insertion loss and high return loss. Some pigtails combine SC/APC with SC/UPC for flexibility .
- Cable Length: Shorter pigtails (1–2 m) are cheaper, while longer cables (10–50 m) increase cost. Custom lengths may be available on request .
- Sheath Material: LSZH (low-smoke zero-halogen) sheaths are recommended for indoor installations for safety and compliance .
- Bulk Orders: Ordering in bulk significantly reduces per-unit cost, which is important for large-scale FTTH projects....
