

Price of Hydraulic Wiring Pliers for Distribution Boxes

Article Overview

Hydraulic wiring or crimping pliers for distribution boxes typically range from \$100 to \$400 depending on specifications, crimping range, and brand.

Price Overview

- Amazon UK – Solsop Hydraulic Crimping Tool: Designed for copper and aluminum terminals with a crimping range of 4–70 mm², 9 interchangeable dies, and a 180° rotating head. Prices for this type of professional electrical tool generally start around \$150–\$200 .
- Tool.com Hydraulic Crimping Pliers: Offers crimping ranges of 16–400 mm² with 9 dies, output force up to 12 tons, and hexagon crimping type. These tools are marketed at affordable and competitive prices, typically around \$200–\$300 for mid-range models .
- AliExpress: Provides a wide selection of hydraulic crimping pliers for industrial and electrical applications. Prices vary widely depending on size, dies, and manufacturer, generally ranging from \$100 for basic models to \$400 for heavy-duty or battery-powered versions .
- Alibaba: Offers both manual and battery-powered hydraulic crimping pliers, including advanced models with sensors and automated controls. Prices are often negotiable for bulk purchases, with single-unit costs similar to AliExpress and Amazon listings, around \$150–\$350 .
