

Price of Transparent Lighting Distribution Box

Article Overview

Transparent lighting distribution boxes typically range from €20 to €150 depending on size, module capacity, and supplier.

Price Overview

- Amazon.de lists TP electric industrial enclosures with transparent or light grey covers, IP67 protection, and high impact resistance. Prices for similar plastic distribution boxes generally start around €25–€50 for small to medium-sized units suitable for residential or light commercial use .
- Alibaba and other bulk suppliers offer transparent distribution boxes for larger installations, with prices varying widely based on module count, IP rating, and customization. Bulk orders can reduce the per-unit cost significantly, with typical single-unit prices ranging from €40 to €150 depending on specifications .
- Specialized suppliers like Wuxi Fenigal and LightingDistributionBox.com provide modular boxes for 12–36 circuits, surface or flush-mounted, with premium features such as halogen-free plastic and transparent doors. Prices for these premium units generally fall in the €50–€120 range .

Factors Affecting Price

- Module Capacity: Boxes with more modules (e.g., 24–36) cost more than smaller 12–16 module units.
- IP Rating: Higher protection (IP65–IP66) for dust and water resistance increases cost....
