

Price of wall-mounted cable tray elbows

Article Overview

Wall-mounted cable tray elbows typically range from \$1.30 per piece for bulk orders, with prices varying based on material and supplier.

Wall-mounted cable tray elbows are essential fittings used to change the direction of cable trays along walls in industrial and commercial installations. Basic bulk pricing starts around \$1.30 per elbow, particularly for galvanized or stainless steel options suitable for industrial use, as listed on Alibaba for wholesale purchases . Prices can vary depending on material, size, and supplier, with custom fabrication options available for specific project requirements .

Material and Standards

Cable tray elbows are commonly made from galvanized steel, stainless steel, aluminum alloy, or fiberglass-reinforced plastic (FRP) . Wall-mounted systems often comply with standards such as CE certification, DIN 4102-12:1998, ISO 14001:2015, E90 fire resistance, and ISO 45001:2018, ensuring durability and safety in professional installations .

Supplier Options

- Alibaba: Offers bulk elbows starting at \$1.30, with options in galvanized and stainless steel .
- JLH Electric: Provides a wide range of cable tray fittings including elbows, tees, and bends, with custom design and fabrication available .
- RS Components: Supplies high-quality cable tray accessories from brands like Leg...
