

Procurement of steel cable trays manufactured in Ethiopia

Article Overview

Steel cable trays in Ethiopia can be procured from local manufacturers like Nahma Precision Metal Products and Micro Sheet Crafts, offering a range of ladder, perforated, and modular trays suitable for industrial and telecom applications.

Key Suppliers

- Nahma Precision Metal Products Plc (Addis Ababa): Offers high-quality ladder-type, perforated, and custom cable trays, along with accessories and installation support. They have extensive experience in sheet metal production and provide mill test certificates and technical guidance for industrial projects .
- Micro Sheet Crafts: Provides modular and customized cable trays fabricated from high-grade steel, ensuring durability and compliance with quality standards. They focus on client-specific solutions and timely delivery .
- Condition Trading and Engineering Plc (CTE): Supplies cable trays along with installation and training services, catering to construction and electrical projects across Ethiopia .

Market Overview

The Ethiopian cable tray market is estimated at \$15 million annually, with a projected 12% CAGR driven by large-scale energy projects, industrial parks, and telecom network expansions . Addis Ababa accounts for nearly 45% of demand, followed by Oromia (25%) and emerging industrial corridors in Tigray and Amhara
