

Purchase fiber optic splice boxes

Article Overview

High-quality fiber optic splice boxes are available from trusted suppliers like Fibertronics, Multilink, Phoenix Contact, Amphenol, and American Products, offering indoor and outdoor enclosures for secure, organized fiber management.

Key Suppliers and Options

- Fibertronics offers horizontal and vertical splice closures with high-quality splice trays and accessories, suitable for FTTH networks, data centers, and large-scale telecom infrastructure, with same-day shipping available .
- Multilink provides a wide range of enclosures including Super Tap™ , Starfighter™ , and Optima™ series, designed for both indoor and outdoor applications, with IP-68 and GR-771 ratings for environmental protection. Their closures support easy installation, maintenance, and scalable network expansion .
- Phoenix Contact supplies compact DIN rail and 19" mountable splice boxes with IP20 protection, suitable for secure fiber connections in industrial and commercial environments .
- Amphenol Network Solutions offers the FSB series of indoor wall-mount enclosures, configurable for ribbon or single fiber splicing, with high-density storage, modular cable port accessories, and versatile mounting options .
- American Products manufactures indoor and outdoor fiber enclosures, including rack-mount and wall-mount splice boxes, with FOA-certified integration, NEMA-rated protection, and BEAD-compliant designs for FTTH, FTTP, and FTTN deployments .
- Fiberlink provides a variety of splice boxes for FTTH solutions, including floor boxes, aerial closures, and optical distribution boxes, supporting multiple fiber counts and network configurations
