

Singapore Composite Fireproof Cable Tray Manufacturer

Article Overview

Ferrotech and other Singapore-based suppliers offer high-quality FRP fireproof cable trays suitable for industrial and commercial applications.

Key Manufacturers and Suppliers

1. Ferrotech Ferrotech specializes in FRP (Fiber Reinforced Plastic) cable tray systems that are fire-retardant and corrosion-resistant, making them ideal for harsh environments such as chemical plants, refineries, and marine applications. Their trays are reinforced with fiberglass for strength, non-conductive, UV-resistant, and provide good electrical insulation. They offer Isophthalic Polyester (IFR) and Vinyl Ester resin options, meeting stringent fire safety standards (Class 1 rating according to ASTM E84) while supporting heavy cable loads .
2. Voltecx Voltecx, under Takaso Industries Singapore, manufactures cable trunkings, trays, ladders, and conduits. They focus on innovative cable management solutions for diverse construction needs, providing high-quality products suitable for both commercial and industrial projects .
3. AEHUB AEHUB offers a wide range of cable support systems, including cable trays and ladders made from FRP, stainless steel, aluminum, and galvanized materials. Their products are certified to IEC 61537 and NEMA VE-1, ensuring compliance with international standards .
4. Lim Kim Hai Electric Lim Kim Hai Electric distributes cable trays and ladder systems designed for supporting light to heavy cabling. While they focus on mechanical support rather than enclosures, their systems are suitable for industrial and instrumentation applications .
5. Foresight Metal Engineering Pte Ltd Foresight Metal Engineering specializes in metal and composite cable trays, trunkin...
