

Singapore Unicom Dedicated Drop Fiber Cable

Article Overview

China Unicom Singapore offers dedicated fiber connectivity solutions, including drop fiber cables for FTTX and enterprise network applications, supported by regional submarine and terrestrial networks.

China Unicom Singapore Overview

China Unicom (Singapore) Operations Pte. Ltd. (CUSG) is the ASEAN regional headquarters of China Unicom Global, managing operations across Singapore, Malaysia, the Philippines, Thailand, Indonesia, Brunei, Vietnam, Laos, Myanmar, Australia, and Cambodia . CUSG provides integrated communication solutions, including internet access, cloud networking, data centers, and system integration, and holds a Singapore FBO license, enabling it to offer dedicated fiber services to enterprises and government projects .

Dedicated Drop Fiber Cable

A dedicated drop fiber cable is a fiber optic line that connects the main network backbone to individual premises or enterprise locations. These cables are designed for FTTX (Fiber to the X) applications, providing high-speed, low-latency connectivity. Key features include:

- Factory-terminated connectors for plug-and-play installation .
- Outdoor durability, suitable for harsh environments, with options like gel-free or g...
