

Slovenia Network Cabinet Customization Prices

Article Overview

Custom network and server cabinets in Slovenia are available from multiple suppliers, with prices varying based on size, features, and level of customization.

Suppliers and Customization Options

- O.D.M. d.o.o. O.D.M. offers a wide range of 19" server and network cabinets with customizable dimensions and features. Customers can specify height, width, depth, and additional requirements such as cable management, ventilation, or acoustic panels . They cater to both standard and highly specialized installations.
- EZZ Fiber Optic Center EZZ provides wall-mounted and free-standing enclosures, including feedthrough panels and cable management modules. Cabinets are made from 1.5 mm steel with powder coating in standard RAL colors, and accessories like bracket pairs and feedthrough openings can be customized .
- EDP Europe EDP Distribution supplies server and communications enclosures with a high degree of customization. Options include chimney racks, multi-compartment co-location enclosures, and soundproof cabinets, suitable for edge computing or industrial IT environments .
- Intellinet Europe Intellinet offers cabinets with various protection ratings (IP20, IP55) for standard IT or industrial applications. They provide both compact wall-mounted racks and large floor-standing cabinets, allowing customization for security, airflow, and IT organization .
- Netwerkkabel.eu This supplier provides affordable server cabinets in multiple sizes (e.g., 22U, 42U) with perforated doors for airflow. Cabinets are available in white or black, and they offer guidance to select the right size for small to medium business...
