

South Asia Export Communication Power System 200kW CIF Price

Article Overview

The CIF price for a 200kW hybrid or solar communication power system to South Asia varies by supplier, system configuration, and battery type, typically requiring direct quotation from manufacturers.

System Overview

Several suppliers offer 200kW commercial and industrial hybrid power systems suitable for communication infrastructure in South Asia:

- Deye Hybrid Inverter 200kW: Designed for commercial and industrial applications, supports mixed-mode operation for peak, normal, and valley periods, and can be shipped under CIF terms to South Asia. Delivery and shipping fees are negotiable with the supplier .
- SOSEN SSE-HH200K~235K-P3EU: Three-phase high-voltage hybrid inverter with bidirectional energy conversion up to 99% efficiency, IP66 protection, LVRT/HVRT, black-start function, and WiFi/web monitoring. Customizable for specific voltage and battery requirements .
- MILE SOLAR 200kW Three-Phase Inverter: Off-grid compatible, supports LiFePO4, lead-acid, or OPzV batteries, with LCD touchscreen interface for battery or grid priority modes. Offers protection features like overload, overvoltage, and short-circuit protection .
- Elecnova 200kW Hybrid Solar System: Industrial and commercial battery energy storage system, suitable for large-scale communication or industrial applications
