

Swiss network equipment cabinet manufacturer

Article Overview

Leading Swiss manufacturers of network and electrical cabinets include Elcase AG, SCHÄFER IT-Systems, Alps Equipment, Confectronic, and Swiss Lift Electronic AG.

Key Manufacturers

Elcase AG is a family-owned company specializing in control cabinets, electrical enclosures, IT network cabinets, and climate control systems for industry, building technology, infrastructure, data centers, and IT networks. They also distribute Schneider Electric's universal enclosures in Switzerland, offering decades of expertise in cabinet solutions .

SCHÄFER IT-Systems provides high-quality network cabinets designed for data centers and IT rooms. Their cabinets support structured cabling, effective cooling, and security against dust and unauthorized access. They offer customizable options and accessories to meet specific IT infrastructure needs .

Alps Equipment focuses on custom electrical cabinet manufacturing, including design, production, and installation of control and automation systems. Their cabinets are tailored to the specific configuration of the site and connected equipment, emphasizing quality, safety, and performance .

Confectronic offers pre-assembled electrical panels and cabinets, including kitting, component assembly, and turnkey solutions. They provide precise wiring and cable...
