

Tanzanian Fiber Optic Patch Technology Company

Overview

Fiber Optic Tanzania Technologies specialized in the manufacturing of fiber optic cables and fiber optic components since 1995. Complete network design, configuration, and troubleshooting for secure connectivity. Raddy Fiber Manufacturing (T) Limited, a subsidiary of our parent company, is strategically located in Mwanambaya, a part of the Mkuranga district within the Coast Region, conveniently situated just 25 kilometers from Dar-es-Salaam. Our unwavering commitment. The factory has the capacity to produce up to 24,000 kilometers of optic fiber per year and is expected to provide about 670 jobs making it the third-largest in Africa and the first in East and Central Africa. these fiber optic patch cables are available in single mode and multimode versions, with custom length and cable colors. At RABCOM COMPUTERS (T) LTD, we go beyond just providing services—we build lasting technology infrastructures.
