Article Overview

Tonga cable trays are available in various materials and sizes, with prices generally ranging from \$210 per metric ton for bulk anti-corrosion trays to discounted rates for fiberglass trays online.

Price Overview

- **Anti-Corrosion Cable Trays:** Bulk buyers can expect prices around \$210 per metric ton CIF at ports like Piraeus or Thessaloniki, Greece, depending on delivery terms and order volume (). This price is typically for large-scale orders and may include technical specifications, quality certificates, and shipping arrangements. Payment is often via LC at sight with SGS inspection at the destination port.
- **Fiberglass Cable Trays:** Online marketplaces such as Opentip.com offer Tonga fiberglass cable trays at discounted wholesale prices, with bulk discounts and fast delivery options (). Exact unit prices vary depending on tray size, thickness, and quantity purchased.
- **Unit Prices Online:** Retail platforms like VEVOR provide Tonga cable tray unit prices for smaller orders, with benefits like 2-day delivery and 30-day returns (). Prices here are more suitable for individual or small-scale buyers rather than bulk importers.
