

Vietnam 24-core optical cable manufacturer

Article Overview

Viet Fiber, SACOM, and Quang Lam Technology are among the leading manufacturers of fiber optic cables in Vietnam, capable of producing 24-core optical cables for domestic and international markets.

Key Manufacturers

Viet Fiber is a prominent Vietnamese manufacturer specializing in high-performance fiber optic and copper structured cabling solutions. Established in 2014, the company offers full vertical integration, managing the entire production process from raw materials to final assembly, ensuring quality control and faster delivery. Viet Fiber supplies international markets including the USA and EU, and focuses on data center connectivity solutions, making it a reliable source for 24-core optical cables (Viet Fiber website), .

SACOM Wires and Cables has over 30 years of experience in manufacturing and distributing wires and cables in Vietnam. The company operates an optical fiber cable factory and has a strong reputation for quality and reliability. SACOM produces a wide range of fiber optic cables suitable for telecommunications, data centers, and industrial applications, including multi-core configurations like 24-core cables (SACOM website), .

Quang Lam Technology specializes in telecommunications products and fiber optic cables, including outdoor fiber optic jumpers and connectivity equipment. They pro...
