

What is the price of gyxtw optical fiber cable

Article Overview

GYXTW fiber optic cables typically range from under \$15 per unit for small orders, with prices varying by core count and supplier.

Price Overview

- **Unit Price:** For GYXTW cables, the unit price can be less than \$15, with free samples available (freight may apply). For units priced above \$15, additional sample fees and shipping costs may be required .
- **Core Count:** GYXTW cables are available from 2 to 24 fiber cores, with prices generally increasing with the number of cores .
- **Cable Type:** Both single-mode and multimode types are available, suitable for aerial, duct, or direct burial applications .

Features Affecting Price

- **Construction:** Central loose tube design, double steel wire strength members, and water-blocking layers enhance durability and tensile strength, which can influence cost .
- **Armoring:** Light-armored or steel-polyethylene bonded sheaths provide protection against environmental stress, slightly increasing the price .
- **Installation:** GYXTW cables are designed for easy installation without specialized technical experience, which can reduce overall project costs
